Re: Creosote study report: Coal Tar Creosote (P1-P13 – Registration# 61468-1)  
Product Chemistry Study and DCI Materials

Dear Ms. Weyrauch:

Enclosed are three copies each of the creosote study report entitled "Product Chemistry P1/P13 Creosote" as required in the September 2011 Product Specific Data Call-In Notice issued for Creosote. This report contains confidential business information. In addition to the report, copies of the current Confidential Statement of Formula and current label are included for Coal Tar Creosote (P1/P13 - Registration# 61468-1) as well a completed application for re-registration as required in the 2008 Re-registration Eligibility Decision for Creosote.

Please transmit the MRID number when assigned to me at the address below:
